Office of Legislative Counsel

Tuesday - 6 December 1955

-----

1. Discussed draft Executive Order on civilian consultants on the Central Intelligence Agency with the General Counsel and Inspector General. The draft was then forwarded to the Director.

2. Discussed various types of proposed legislation for the coming year with the General Counsel and Chief of the Budget Division. Certain action assignments were agreed to. It was also agreed that the submission of draft legislation prepared on the basis of Career Service Council recommendations would go forward as soon as the Director approved its submission to the Bureau of the Budget without waiting for final CIA approval of other proposed legislation. General Counsel will check Career Service legislation to be sure it is up to date, and when this has been completed Legislative Counsel will forward it to the Bureau of the Budget.
